BENEFITS AN EDUCATIONAL MODEL THAT WORKS!

Hope Hall School is a private, non-sectarian, non-profit school for students who learn differently. Our students represent 19 school districts in the Greater Rochester area.

Each dollar raised in the High Hopes Golf Tournament supports the school's Scholarship Program, which enables students, 87% of whom live at or below the poverty level, to achieve academic excellence.

Hope Hall is proud to boast a 100% high school graduation rate, with graduates who are prepared for post-secondary education, training programs and careers.

Thank you for investing in our children.
