

Hope Hall's Annual Poinsettia Sale is Back!

Opportunity to help Hope Hall:

For the past 25 years, Hope Hall has sold poinsettia plants as a way to help raise funds to meet our operational budget. This year, our budget is \$3.0 million dollars. Approximately one-third of this budget comes from tuition. The remainder comes from gifts, grants, and fundraising efforts.

We are selling beautiful poinsettia plants in 6" foil pots for \$8.50 each as a fundraiser. These plants are very hearty, last a long time, and would make wonderful gifts for the holiday season. Would you ask family, friends, colleagues, and employers to buy a plant and/or purchase some for yourself as gifts?

The plants are being delivered to school **once** before Christmas.

Money must accompany orders. **Please return the order forms and money to school by Friday, November 20, 2020.**

On December 14th through 18th orders can be picked up between 8:00 AM and 4:00 PM.

We appreciate any help you can give us with this project!
