Dear Hope Hall Families,

We hope you are all having a restful and relaxing holiday break! We are writing to inform you that at this point, 5 of our faculty members have been placed into quarantine by the Monroe County Health Department. Due to this, we are unable to reopen for in person learning on January 4th like we had planned. **We will be going fully online with learning until January 19th, 2021.** With 5 faculty members out, we are unable to cover all classrooms and duties throughout the day for in person learning.

Your child has already been given a 100% online schedule to follow. This weekend, all homeroom teachers will be posting a copy of that schedule onto their Google Classroom pages so that students can access it. This 100% online schedule is the one all students will be following for their classes for the next 2 weeks. It is specifically designed to make sure your child has a break from being at the computer throughout the day.

At this point, it is our plan, that on Tuesday, January 19th, our building will reopen to students for our hybrid instruction model as we have been following. If you have any questions, please do not hesitate to contact the main office starting Monday morning at 7:30am.

Thank you,

Sister Diana Dolce, SSJ
